### The Premises:

Terraced house in a wide street. Car parking nearby. Although busy area felt totally safe.

### The Lady:

Absolutely stunning blonde lady, who looked even better than her photos. Very friendly, passionate, funny girl and who I think is about 20yrs old. From Czech republic with very good english.

### The Story:

Once I had chosen from the extensive menu, (it was a bit like being let loose in the sweet shop!!) Zoe left for a few moments.

When she came back she was all over me. This girl is unsatiable. Kissing was passionate and highly pleasureable!!

I had today chosen oral with, kissing and reverse oral but the choice was tough and money dependent.

Zoe tasted superb and was excellent at giving oral.

I don't know how I lasted the 30 mins!!

I had asked her beforehand if I could play with her and this was a def' yes, fingers anywhere but gently!

Once I started she kept insisting I f\*cked her hard (and deep) with my fingers and was more than happy to have a finger up her arse.

The oral was too much and I asked if i could cum on her tits but she went one better and told me to cum over her face. I didn't let her down.

On my next visit i might go for A, she has just such a sweet arse.

All in all a great time was had, shame it went so quickly.

Zoe is amazing, treat her well.
