The Story:

I was so nervous when I first visited melony as it was my first time with an escort, but she put me at ease straight away with a nice chat, she is very easy to get along with and knows how to make you feel welcome. Then it was into the shower before heading to the bedroom, melony gave me some great oral without then we had sex in a nice way she wrapped her legs round me and touched me sent me over the edge and I couldn't hold on any longer. She then gave me a great relaxing massage I then returned the favour which was a good chance to get my hands on melony's heavenly body. I then gave melony some oral which I really enjoyed and she was very responsive to. Then we had sex in 3 different positions the sex was really exciting and pure magic. Then my 2 hours were up, melony offered me another shower we had a nice chat and that was it magic. Melony is a great girl who deserves complete respect
