The Story:

My second visit to Sandy's in 3 days. I came to pick-up my watch that I had left there the time before, but really to sample Morgan and find out just what all the fuss was about. Sadly was just pipped at the post by an eager client so had to wait 30 minutes or so. No problem though as I made myself comfortable, had a cup of tea made and chatted with the reception staff. I saw Morgan briefly before she disappeared into Room 5. Facially she was not quite as pretty as I had expected but her body was the best there. Thus despite the very pretty Emma being available along with Nikita (friendly girl who smiled at me a couple of times - but a bit too skinny for my personal taste) I decided to wait for Morgan.

Finally the moment came, the lucky previous client departing looking slightly dis-orientated and weak at the knees but with a huge grin on his face.

After 10 minutes Morgan romped into the room throwing her arms round me and giving me full on kisses. Straight on to the large bed with me face down enjoying a quick massage followed by Morgan gently rubbing her beautiful bullet hard nipples all over my back and bum whilst whispering all the things she was going to do to me. This was sheer bliss but nothing to what followed. She raised my bum up and slowly started teasing my balls and ass (and that sensitive bit in between) with her fingers and tongue. To say the sensation was exquisite would be the understatement of the year. My jaw dropped to the floor and it took me nearly a minute to breathe again. Once able to I was moaning out of control, begging her not to stop. Morgan knew what effect this treatment was having on me and returned to it several times during the session, each time taking me to the gates of heaven.

Morgan is not just good at her job - she's an absolute artiste. I decided to let her take total control

and do just what she wanted as everything she did was amazing. Her body is firm and toned like a tightly coiled spring and she has beautiful dark tanned skin that is silk smooth to the touch - it was a joy to stroke every inch of her many times over. Her breast (enhanced) are outstanding and she loves you to squeeze them.

You can tell Morgan really loves her job, she came three times during our session each one with a long hot squirt (the last one right in my face.....yes,m).

On top of all this you really warm to Morgans personality. She's down to earth and honest - telling you exactly how it is. Bless her socks she even quickly dashed out half way through the session to get me a glass of wine!

I lost all track of time and as neither of us had watches on she had to stick her head round the door to ask how much we had left. Sadly it turned out we had actually overrun by more than 5 minutes! Never has time gone so quickly in my life.

So that's two amazing visits to Sandy's in just 3 days (saw Sadie last Sunday - who hopefully I will be seeing again tomorrow). Each one very different but both immensely enjoyable. It's not easy to pick a favourite but I think the cup (so far) will have to go to Morgan. I am writing this report many hours after the event and my balls are still tingling from her touch and I'm just aching to do it all again right now.
