The Lady:

Extremely sexy tanned and fit body. Exceptional breasts with nipples to die for. Amazingly tasty pussy.

The Story:

Great lovemaking, a little massage and then down to my anus, a well oiled finger gently probing my washed out and freshly cleaned arsehole. Then came the inflatable butt-plug - wow what a super filled feeling - she carefully instructed me to relax my arse, let the dildo gently slide in and wow, what a feeling. Finished me off with a most amazing oiled fast hand job - she also treated me to a bit of slap and tickle that although I found a little painful, it was very arousing.
