The Story:

Having never been to a party, I looked at the various ones advertised on here. Some looked ok, others very tacky. Picked this one based on quality of website and reports.

The venue was superb, very up market, well furnished, clean and tidy. The guy hosting was very friendly and settled my nerves. Having changed, i had a drink and was a little worried how to proceed. That soon passed as the girls took the lead and I was dragged of by Becki. I wont go into the ins and outs, suffice it to say, the sex was wonderful and the girls were not only very friendly, but totally enthusiastic and were always taking the lead.

A very good set up and a thing really impressed me was that, when booking I questioned numbers and was assured they did not exceed 10 men. This party had the full 10 and as I was having a drink, I heard the host turn down on the phone at least 3 late enquiries saying they were fully booked.

As I said, my first party, there are others but I will stick to here.
