### The Lady:

Stunningly beautiful, with the most amazing body you are ever likely to see.

### The Story:

I've previously visited Penny at the Retreat and was initially disappointed that she no longer seems to be around. But Charlotte is if anything even more beautiful (never thought I would ever write that phrase considering how lovely Penny is) and pays the same attention to the detail of what her clients really are seeking as did Penny. I was seeking strict bondage and Charlotte went to great lengths to achieve this, varying the positions as she wished and introducing gags and blindfolds as it amused her so to do. She made me feel utterly helpless and yet totally safe in her hands. Wrapped up with ropes I was finally allowed to see her stunning body and then to worship every opening with my tongue. She kept me kneeling, hands tied by the bed for ages, all the time demanding that my tongue perform "gentle, gentle" circles around her clit, with lashes from her riding crop every time I got clumsy or failed to keep to her rythm. Then I was laid out on the bed with Charlotte's delicious (in all senses of the word) bottom squatting above me and open to my in-depth attentions as her hands brought me gasping to a climax. An hour is just not long enough to properly worship this woman. Thank You Charlotte and please forgive me for the delay in writing this review... on second thoughts, don't forgive me at all - just punish me a little more strictly next time xx
