The Premises:

Great flat. Clean, tidy, modern, with wooden floors and nice decor. Parking is easy and close by.

The Lady:

Very pretty brunette, in her mid 20's with a lovely natural figure and a sweet personality. Mmmmm, this was going to be good!

The Story:

Carla is an extremely friendly and tactile person who makes you feel at ease from the start. Her breasts are superb, and were quickly exposed as she removed her black negligee.

OWO is certainly a skill she excels at and the sight and feel of her tongue working its magic was a wonderful experience. I could have let her continue forever, well probably another 30 seconds would have been enough!

We soon switched to a number of positions and I got to admire the rest of her body. Her skin is soft and unblemished, as far as I could tell bears no tattoos, and I certainly examined most of it. However the best thing about Carla is simply her attitude. Nothing ever felt hurried and she has a lovely intimate manner which certainly fits into the GFE.

My time was quickly up, and can honestly say that Carla is extremely good and well worth a visit. Maybe next time I should stay longer!
