The Story:

No blow-by-blow, just a summary to help you decide whether to visit!

Shannon is pretty & lively.

For me she didn't kiss (fully) and no OWO.

She makes too many noises for me, which are obviously fake, and is a bit brittle. I prefer a quieter but more genuine response.

The rabbit was in evidence but no sign of climax.

Shannon let me enjoy myself, but stayed on the sidelines a bit.

Overall I enjoyed my visit but might not go back...on the other hand I got the impression that once she knows you things might be different...

Oh, and despite paying the full price for 45 minutes it was all over within 30 - naughty in my view.
