The Premises:

Average flat in marylebone, stank of damp. Had to wait 10 minutes for her to let me in and then another 10 minutes before she came to see me!!

The Lady:

Definitely not 21, had stretch marks, more like 31. Photos on site are not recent. Same girl is working at babylon girls as Carlotta.

The Story:

Should have walked as my first instinct told me to. Very unenthusiastic massage followed by oral covered, no kissing either (despite agency claiming she was open minded and did OWO and A). Followed by her riding me although the sight of her stretch marks was totally putting me off. Shot my load quickly and asked her for another massage as my back was hurting. She seemed totally distant and there was no connection between us. Left after 30 minutes, total waste of time, will not be going back there. Saw her flatmate Victoria walking around, again she looks nothing like her photos on the website.
