About 25 years of age, good looking with curves in all the right places. No tattoos (that I saw), and no piercing apart from ears.

The Story:

I've been to this parlour a couple of times before and always enjoyed it. Poppy was the only girl available at the time of visit but I was very happy with her. The session started with a very good and firm massage on both the back and front of body followed by protected oral, reverse oral and the sex in many different positions. Poppy is a asset to this parlour and has a fantastic body and skill level.
