The Premises:

A rather cramped dungeon in the cellar of a terraced house near the centre of Derby. For a daytime visit it was easiest to park in a city centre car park and it was only a few minutes walk away.

The Lady:

Absolutely stunning blonde in her mid-20s. See her website for lots of photos, she was every bit as gorgeous in person.

The Story:

She asked me to text her before the session with a brief idea of what I was looking for, and before starting we had a quick chat. I was looking for a sexy, teasing session rather than heavy punishment, and she delivered exactly what I wanted - although I'm sure if you want something severe, she would have no problem delivering (her website says she prefers it, actually).

Overall a really good session and I will certainly see her again as soon as I can. The dungeon (which I think belongs to another mistress) is the only thing that lets her down - too cramped, and could do with some work. But to be honest once Mistress Vixen was in the room, I didn't pay much attention to anything else ! We ended up the session with her stripped down to a thong and thigh-length boots, and me coming over her boots - excellent ! If you want to see a gorgeous dominatrix, you won't do better.
