### The Story:

taken me a while to write up this report which she thoroughly deserves, fantastic lady which no red blooded male shud miss out on. she opened the door in the mini skirt, stockings, high heels and tight top as id requested. i got an instant boner as i walked thru the door, she had left one of her tits half out of her top with some nipple showing, i knew i was in for a great time.

followed her into the bedroom with my eyes glued to her fantastic arse. this lady is heaven for guys that love tits and arse, lets face it thats most of us. once inside i asked her to turn around so i could admire the lovely body i was about to fuck to my hearts content. i then had a good feel of her arse and tits and we had a good sloppy snog. after she was content that i was happy she reminded me of her "gift" which i handed over to her happily. having got that out of the way we got back to groping and kissing before she knelt down and took my cock all the way into her lovely mouth. this woman gave me the best blowjob of all time. cock and balls were worshipped, words cannot describe how good it was so i wont bother but its worth the money alone. with cock sucking skills this good it was inevitable that i ended up emptying my balls in her mouth and i have to say she was such a good sport that she did not spill a drop as all my baby batter went down her throat a treat, altho she almost choked from her mouth being overloaded all at once.

i felt so good we both lay down and had a little talk before we went on to round 2 which she initiated by taking my little boy into her mouth again. we ended up with her on top, tits bouncing wonderfully while i sucked and squeezed them. then turned her around fucked her from behind with a great view of her bum which took a good pounding before i exploded again deep inside her cunt in missionary, finally collapsing on top of her, thoroughly drained in every way.

i cannot recommend this lady highly enough. i wud describe her as a full pornstar experience that will leave u knocked out. do not miss her!
