The Lady:

Nia has a lovely figure, beatifully rounded bum which looks fantastic when taking her from behind. Big turn on from the moment I set eyes on her in that black dress

The Story:

This was my first time, I felt a little uneasy for the first couple of minutes but that soon passed, she made me feel at ease very quickly. Fantastic OWO, she seemed also to enjoy it. I would have loved to have spent longer but was between meetings, she is someone who I really connected with, equally happy to lay next to her and stare into her beautiful eyes, will definitely go back.
