The Premises:

Professionally run, very clean, and discreet basement flat about 250 yards from Earls Court tube. The room was smaller than I expected, dominated by a double bed, a large X cross, and more uniforms and bondage accessories than anyone could ever hope to enjoy in one lifetime. A safe area at any time of day.

The Lady:

Lisa is a gem. She obviously enjoys her work at The Retreat and this makes all the difference. She's mid-twenties, about 5' 6" with long dark brown hair and an extremely pretty face. Eyes are bewitching, mouth sensuous, and her skin is smooth, tanned, and toned. She has an extremely narrow waist accentuated by a perfect womanly bum atop great legs and shapely ankles. Lisa was wearing a flimsy basque attached by suspenders to black stockings plus a tasteful thong and pornstar perspex platform heels - perfect. Best of all is her personality which is bright, laid-back, fun, and friendly.

The Story:

This was my first visit to this type of establishment and I found myself unexpectedly nervous as I talked through the proceedings with Lisa. In the end I opted for a combination of GFE, tie and tease, and a good shag.

I spent a good while admiring Lisa's legs and bottom before I was shackled to the cross, blindfolded, while Lisa administered nipple clamps, pin-wheel, and weights about my body. It was new and very arousing. After some time she removed the blindfold and proceeded to strip before me, applied a condom and sucked my cock while staring up into my eyes - heaven. She then took to the bed where she exposed and touched herself, much to my agitation. Needless to say, it was time to get off the cross and join her on the bed. I indulged in a lengthy oral session on Lisa's beautiful shaven pussy, before entering her in mish for a sensual shag that resulted in one of the most powerful orgasms I've ever had in my life.

A mind-blowing experience with a very special girl. Thanks, Lisa.
