### The Story:

Been here several times seeing other girls but the first time seeing Kylie. After sorting financial matters she left me to undress and returned after a couple of minutes. Started with a talc massage and some nice caressing of my balls. She asked me to turn over and immediately started to play with my member which responded straight away. On with the raincoat and then some great sucking whilst i caressed her gorgeous tits. she responed by moving over so that I could suck her nipples while she sucked on my rampant cock. After a while she asked how did I like it and i opted for doggy being able to grab her gorgeous tits while giving her it all from behind. Kylie was so horny that it didn't take long for me to come to completion.

Great time was had by all.
