The Story:

I had previously visited Alex a year ago in the Baker Street area. She moved two weeks ago into this flat. After she buzzed me in through the main door of the building, I made my way to the staircase. A man sitting at a desk by the stairs asked which flat I was visiting. I told him the number. He asked me to write the date, my name and the flat number in the visitors book. I was then allowed to proceed upstairs.

Alex let me in and recognised me from last time. She wore a short black see-through dress.

Alex is an expert in the art of foreplay. I sat on a chair with my clothes still on while she rubbed herself against me. She took her dress off and then removed my shirt. She bent over to give me a great view of her bottom and then sat on top of me. After she got up I took off the rest of my clothes, she then enveloped my cock between her tits with me sat on the chair.

Finally, we moved onto the bed for more cuddling, nipple sucking and a great blow job. We had sex in two positions. I asked if I could cum in her mouth. She said yes and sucked my cock for a few minutes. Nothing happened so after some intense tit wanking I came all over her tits.

With 15 minutes left, we had a chat before I had a shower.

Alex is a charming lady who gives you her full attention.
