The Premises:

Stylish clean place - very cosy and warm.

Only one minute walk from Wood Green tube, very easy to find.

The Lady:

She was a sexy black girl with suckable breasts and an ass to taste! About a size 10-12 with deep eyes and full lips. There was also a pretty blonde girl there.

The Story:

Lexus opened the door (a very safe and secure flat) wearing sexy lingerie. She asked at the intercom and then buzzed me in. Invited me for a drink and i'm sure she could tell i wanted to ravage her.

Agreed the services and handed over the funds. Definitely made the most of it. Tried a variety of positions on silky sheets - such a close GFE I wanted to stay for longer!

Lexus thank you for a great time, hope to see you at the party this Wednesday, make sure you reserve a space!
