The Story:

I have previously visited Londonretreat on various occasions but not for a couple of years as I have been working out of London, however I would often log on to their website out of curiosity to see who was working there etc.

Thankfully the establishment is still as immaculate and welcoming as ever which is unusual in London as places and ladies seem to come and go like nowhere else.

Never written a review before but thought my visit to Louise deserved a special mention. Louise came into the room looking quite stunning dressed in black lingerie and stockings, and sat down on the bed to chat about the session I wanted. Decided on some sensual fun with a mix of strict mistress and horny tie and tease.

She came back into the room wearing a skin tight fitting black rubber dress just about covering her gorgeous arese and enhancing her long legs, which I had chosen from the huge amount of outfits hanging up in the room. This was a turn on in itself, as I've never had a girlfriend dress up for me in kinky gear even though I have dropped hints in the past!!

The session started with leg and bottom worship before I was blindfolded and teased with her sexy body while tied to the cross. Then it was over to the bed where a session with a small strap on took place, before she ordered me to pleasure her with my tounge. Finally hardly able to restrain myself we finished with greart sex in cowgirl mode. A great and memorable session, Louis is a lovely girl and is an asset to the retreat. Thanks Louise look forward to seeing you again and commincing my regular visits to this welcome establishment.
