Already well reported in numerous other FRs.

The Lady:

Slim and bonnie. By bonnie, I mean healthy, fit, young and happy. As far as I can tell, WFB have compressed her photos horizontally, to make her look thinner than she really is. I do not understand why they have done this (unless it was accidental), because she already has a perfectly slim figure, and flat-stomached, as it is. Apart from this grouse, the WFB photos are a good likeness.

What you cannot see on the web photos is her face, which is a very pretty one. Bright eyes, a friendly demeanour, and a beautiful smile. She is very attractive, in a "girl next door" style.

The Story:

I liked Brady. Friendly, natural, outgoing, and readily breaking into her wide smile. She conversed well, and took a personal interest in me. This interest seemed to be natural to her, and was not a case of mere professionalism.

She told me that she does not do all that many specialities. What she does do, though, is the GFE. That was lucky for me, because that type of service was exactly what I wanted. Even more luckily, she is very good at it, very good indeed. For the half hour I was with her, she really was my girlfriend. Took me back forty years, to the time when I really did have girlfriends like Brady. It all made me feel forty years younger.

I recommend Brady for the type of person who is seeking an intimate and affectionate "girlfiend" encounter with a gentle, friendly and smiley young woman. Brady would also be an excellent choice for a nervous first-timer.
