The Story:

i felt i should report on claudia as previous reports i had read on her seemed unfair.If you believe everything u read then i would never have taken the plunge with her,but she looked great on the website so i thought what the hell.

and i wasnt disappointed ,i skipped the massage and lay back as she kissed,played and moved her body on me. owo was an option which i went for,and was expertly done. then her on top by which point i was very turned on ,and didnt go more than 5 mins.

some ladies decide thats your lot,but claudia then massaged me and we chatted for a while which i found to be most welcome.

would certainly recommend her, there are not many girls who look as good as her on the scene,and was certainly very friendly.
