The Lady:

Not quite as good looking as the website pictures.She is a little flabby,boobs aren't quite as good as the pics suggest and she is not 19 looked more mid 20s. She did have nice tits and a great pussy though.

The Story:

I was a bit worried as the lady on the phone would not give me any info as to the services provided!!I arrived prepared to leave if I could not CIF.Laura speaks almost no English but with some miming she understood what I wanted.She would not kiss on the lips but I didn't mind so much. OWO was not deep but was very enthusiastic!69 got her really fired up and I eventually got ontop of her to blow my load onto her awaiting face.She opened her mouth to take what she could and I knew I had the right girl.Round 2 Sex in all positions,I couldn't resist fingering her tight arsehole and then had to lube up and slide in(something I haven't considered before!)She yelped with pain and I was a bit embarrassed but rather than making me stop she said it was good and helped me back in! A great experience but I have to see Lia and Pam before going back
