The Lady:

Youthful looking asian with a perfectly proportioned body that feels great. A very pretty face with long dark silky hair and the most entrapping eyes I have ever seen.

The Story:

This was my best overall escort encounter so far, my experience with her was very special. She speaks fluent English, is friendly, funny, talkative, interesting, but also eager to please. She is very good company in all departments. She has a genuine passion for fetish and is the perfect playmate, but is in nature passionate and sweet. She is pretty, her body is perfectly proportioned and looks and feels great and her pussy tastes wonderful. This is the girl who all-round matches my needs almost perfectly and I'm happy that I found her. I will definitely return.
