The Premises:

As before, safe area just passing industrial traffic which whips around the corner. Other than that, safe entrance and nice area...quietish.

The Lady:

Jodie and Tammy...wow...what a pair. Both Jodie and Tammy were slim ladies and both in shape. Tammy is slightly older and has completely black hair compared to Jodie's highlights.

The Story:

Opted for the explicit 2-girl show which included strap on, reverse oral etc etc..

Something worth experiencing again...and again....and again....
