The Premises:

Nice clean tidy establishment on the Bristol Rd at Selly Oak. Furnishings were nice. The place did smell a bit of cigarette smoke.

The Lady:

Early to mid twenties oriental lady. Kinda cute. About size 10 dress with B or C cups at the top.

The Story:

?60 for basic service but charged ?20 extra for reverse oral which she seemed to enjoy. Her english is good. Started off with a massage, then a nice tit rub on my balls, then some covered oral. I quite enjoyed this session, and she gave me a nice peck on the cheek at the end. She seemed to be enjoying her work. Not sure if kissing was on the menu, or if it cost extra. The time seemed to pass very quickly, but not sure whether this was really 30 mins or not because I couldn't remember the exact starting time. Overall I was happy with her service.
