The Lady:

Ana is very nice sexy lady. She is much better in real life than her photos on her website. She has a very sexy body which you want to cuddle.

The Story:

After the very good reports I felt that it was time to visit Ana. She gave me good directions to her house and when she opened the door she was dressed in black underwear. When inside she offered me a drink, which was a nice touch. after dealing with the paperwork, we went upstairs to her nicely decorated bedroom.

Ana undressed me and folded my clothes, which I have never come across before. Ana then started on oral without which she enjoys a lot and is an expert at it which had me in heaven. I then returned the favour which Ana enjoyed very much.

Ana must love oral without and she made me come in her mouth very quickly, which she swallowed up every job. After I had came we cuddled up together until my time was up which is much better then dressing straight away. During the appointment we were talking about various things, like we had known each other for a long time.

Ana gives a very good service in a nice surroundings. If you are in Reading then Ana will be the one for you. You will not be disappointed.
