The Story:

Sophie was bubbly and friendly from the moment I arrived and she is expert at putting you at ease. During our session, everything seemed to be so natural and things flowed easily from one stage to the next.

We started with a nice slow massage before Sophie used her ample charms on me and we got down to real business! Afterwards, I gave her a massage which she seemed to appreciate.

There was no clock watching or rush for me to leave at the end. Overall it was a very satisfying experience which exceeded my expectations. I even received a nice email afterwards.

What remained with me for several days afterwards was just how friendly and easy going Sophie had been, both in making the arrangements beforehand and on the day.

Sophie is a rarity in this business, she is truly a very warm and friendly person and you will be well rewarded if you treat her with respect.
