### The Premises:

Nice clean flat above stores on busy street, very close to South Ken train station. Felt a bit uneasy waiting outside - for quite some time...

### The Lady:

Petite and with fantastic proportions. Very slim, not skinny, perfect breast size for her body and a nice round bum. Just perfect!

### The Story:

Her oral skills are great, and I'm not talking conversation now ;-) Very limited English but made that up with lots of energy and enthusiasm.

Hardly said anything for an hour part from "you very sexy man" and "you like?" and "ahhhhh".

Was taken directly up to her small bedroom and she basically stripped me then and there - no conversation - nice kisses, nice attention to my nipples and fantastic BBBJ.

She was dressed in white hold ups, tiny white thong and great looking lace bra.

Had a bit of a bad breath though which kind of stuck to me as she licked my entire body :-(

Cannot say this too many times, fantastic BBBJ attention to balls and rimming. Came in her hand while watching her lick my lower parts.

Usual chat in between rounds was not even on the menu - she came back from the bathroom and just jumped on me again continuing her oral. Kept me hard and she jumped on cowgirl-style. She came (or faked really well) after some time, then she kind of lost interest in jumping up and down on my tummy. Continued BBBJ, sucking, licking, rimming with lots of energy and had me coming a second time within 40 minutes of me entering her door... Hat off - not many managing that.

Going back? Not really - there are others out there to explore, but will still recommend anyone to see her.
