The Premises:

In nice area of south Manchester, handy for Sale metrolink station or parking at Sainsburys, located above Ladbrokes entrance round the back up flight of stairs. Friendly receptionist, clean average sized rooms all in all a top parlour.

The Lady:

New girl at Bliss, Marianne, 20 year old, slim size 8, 34C boobs, 5'6".

You can see from the website photos that she has a superb body but what you can't see is that she's really beautiful and has a lovely smile. Originally from Lithuania she's been in Manchester six months and is quite new to the business, only been at Bliss three weeks, and is still learning the ropes.

The Story:

Looked gorgeous in her white top, stockings, thong and heels which made her seem about 5'10". While I showered she stripped off to reveal her fit young body, lovely pert breasts and fully shaven pussy, she's absolutely stunning. I gave her a nice slow relaxing massage on her back and then her front, what perfect boobs she's got. Gave her reverse O which she enjoyed, she then gave me an excellent massage followed by covered oral, OWO is not on offer. She asked if I'd like sex or one of her special hand jobs to finish. As I like a good hand job I accepted her offer. First she massaged a liberal amount of baby oil into my balls her technique was superb just the right touch. Then another squirt of oil this time on my cock followed by a superb hand job as she knelt between my thighs and had one hand working on my cock and one on my balls what a wonderful climax. She didn't rush the service at all and was willing to stay for a chat afterwards unlike some girls who can't wait to get out of the room. A superb all round GFE, if you can live without OWO and Anal then go and see her you won't be disappointed.
