The Story:

I wanted to see Trisha after reading all the glowing reviews but wanted something a little different as well as the kissing cuddling and sex i.e. over the knee spanking and then to be bottle fed like a baby (I know I know). I emailed Trisha who promptly replied saying no problem.

In short i had a wonderful time - got exactly what I needed followed by a lovely chat with a very special lady.

So if you fancy something a little out of the ordinary just ask - she can only say no but will most likely say yes.
