### The Premises:

A first floor converted flat in one of the streets off Warwick Way. It was clean and comfortable enough. The bedroom was along a corridor and down a short staircase. If I was living in the flat below, I would be mightily p\*ssed off by the clatter of stiletto heels on the wooden floor above me, at that time of night.

### The Lady:

As per the pictures on the website, although I thought she was rather more flat chested than the described 34b. In other words, if you are a breast man, this girl is not for you.

### The Story:

I had wanted to book Nicole again, but she was otherwise engaged. The Agency suggested Vanessa and so I went along with it.

Vanessa is not unattractive, but to my mind, is no "stunner" either. Nevertheless, she is very obliging and treated me to a wonderful BBBJ with plenty of eye contact until I was good and hard. I withdrew and returned the favour, much to her surprise. I think she was enjoying herself. A short while later, she asked if I wanted a condom. I told her I wanted CIM. Vanessa happily knelt on all fours on the bed whilst I stood at the side. She resumed her BBBJ and expertly licked and sucked until I spurted in her mouth. She swallowed, provided me with wipes and tissues, then excused herself to go to the bathroom.

I dressed and made my way up the stairs to the hallway. Vanessa came out from the bathroom and let me out, with a gentle kiss.

In all a good enough punt and worth the money. Physically, Vanessa would not be my first choice so I probably will not return. Her service, however, was very good and her attitude was excellent so I am happy to recommend her to others.
