### The Premises:

The flat is approached from the rear yard up some stairs for discreteness. It is a very safe and sound flat and very clean. The bedroom has a double bed and clean linen with fresh towel on the bed in shape of a butterfly. nice music in background if you want it.

### The Lady:

Jasmine is a 21 year old Thai girl who is extremely beautiful. she has nice boobs about 34c. she is very attentive to the mans urges. she strips fully at the mans pace, i asked her to keep her black lace thong on a while because i wanted to remove them myself. i sat up for my massage which i was more comfortable with she sensually massaged my chest, back and cock of course. i asked her to lay on her back and removed her thong. her pussy was totally shaven and very smooth. i put my finger inside Jasmine and her pussy is nice and tight. Jasmine is a young Thai girl and a body to die for. she let me come all over her tits and tummy, as i did not want the condom on. Jasmine will do OWO but thats an extra tenner which i did not have. We laid together after i had cum with Jasmine my Thai beauty in my arms. Jasmine played with my cock some more and would have let me come again, but that would have been extra too. I have never had a punt like her and well worth a visit. Jasmine works in Sheffield and keeps returning to London alternatively. Treat her like the lady she is and she will respond very favourably in bed.

### The Story:

This was no doubt the best ever girl i have seen in my 20 years of seeing girls. Well worth a visit when she is back in Sheffield. give them a call to see who is on
