The Story:

A real little sweetie. She was so nice to be with that the shortfalls in the actual physical parts didn't seem to matter. We talked, she is learning English but is already very proficient, she made the first move and after that it all became a bit of a haze. Except for the nice humming bird tattoo in the small of her back, which has stuck in my mind. You can't possibly get closer to a GFE, even with a real GF !! She made a happy man feel very old.
