The Lady:

Recommended to me by the receptionist at agency Barracuda and a big thankyou from me x.

She is slimmer than seen photos but still looks super fit ! Looks just like her photos and maybe a little older (say late 20s early 30s)and still a stunner.

The Story:

This girl is excellent at her job , worth every penny spent , a true professional who relises that our money is hard earnt too ! When i arrived she was wearing a tight skirt with no nickers ! WOW !! had a drink of wine and a chocolate , then a quick chat , which she speaks good english (quite rare these days). Now down to business , started with a good massage (which was erotic) and turned me over and gave me a owo with excellent technique using every part of her mouth tongue and hands, i was rock hard. On came the condom and i took her cowgirl then doggy she responded to every order with delight and i exploded !! grrreat ! round 2 consisted with a small grope and a 69 owo , which she worked very hard at for an hour keeping me always on the edge then that was it i couldnt hold it any longer cim and swallowed some . Had a shower and left .

Guys this comes recommended no bs ! this girl she is fantastic F**k . Everyone should spend a liittle time to write in , then we would sort out wheat from the chaff .

see you very soon Vanessa xx.
