The Premises:

Very clean and well organised. A little bit exposed to passing traffic on the busy Coventry Road.

The Lady:

Blonde, friendly, open, lovely boobs - very pert. Dressed in Santa suit for the festive season. Intelligent and good fun.

The Story:

Face down for a reasonable massage on the maasage table and then turned over. Moved to bed for more frolics. Very good covered oral, reverse oral when I noticed her pierced clitoris. Finished in cowgirl, which she certainly appeared to enjoy.
