The Premises:

Clean and very nice studio. Good music on in the background. Huge mirrors if you like that sort of thing.

The Lady:

As described in the pictures. Not, IMHO, a 34C, a B probably.

The Story:

Well, I wouldn't call it disappointing, but it wasn't the passionate encounter I was looking for. The girl could barely speak any English. I wish she did for she had that sparkle in her eyes and you could tell she was a lot of fun if you could just breach the language barrier.

As a consequence - the experience was fun, but not to be repeated for me. Don't let this FR stop you if speaking to the girl doesn't matter very much to you. She's really eager to please, makes all the right noises and rather mischievous but the lack of English seriously limited the potential of the experience.

On the plus side though, those mirrors and a willing girl could make you the star of your own personal porn flick.

Maybe paying 50 pounds more will secure a more fulfilling punt - next time.
