### The Premises:

Big house on the Bounds Green Road minutes from Bounds Green tube. Discreet side entrance.

### The Lady:

Rosina is Spanish, petite, with jet black, long curly hair and a sun kissed complexion. She looks about 30ish, and has the most extraordinary blue-green eyes.

### The Story:

Rosina was fantastic. Just fantastic. She came into the room smiling, and gave me a huge probing kiss before I'd even opened my wallet. I actually paid for sex, OWO and CIM, but the sex didn't happen because I was so engrossed in Rosina sucking my cock and licking my balls. She even gave me a superb prostate massage, then knelt down, mouth open, tongue out to receive the gallons of spunk that I showered her face in. Talk about feeling two stone lighter! Normally there is some polite chit chat if one finishes up early (and this took about 15 of the 30 minutes) but Rosina suddenly transformed from raging nympho slut into warm, passionate lover. She kept kissing me and wrapping her arms around me, even though she had absolutely no need and given me a long lingering kiss goodbye. Rosina also does two girl and lesbian shows with her portuguese friend (who was unavailable when I went) but I might just stick with her alone. She is an absolute gem!
