Phone: 01908711821

The Premises:

Clean, tidy, and lemon-fresh.

The Lady:

An intoxicating beauty of exotic ancestry.

The Story:

Isobella knocked on the bedroom door.

"Come in," I said.

A pretty little face poked around the door.

"Hiya."

What a gorgeous girl! Then she walked in. And what a lovely body too!

She walked up to me and we kissed. This was going to be a very good punt. My spider sense was tingling ... and my testicles were spinning. I quickly whipped off her bra - she had tits like half-melons, and nipples like black wine gums. Off came her knickers and I caressed her money-maker before slipping a finger inside. She sensuously moved her hips back and forth as to effectively shag my finger. And I could feel her tight muscles lovingly grip my digit.

I just wanted to keep looking into her eyes so I slipped my hard cock between her tits and dry-humped her. Then she slipped on a cover for a blowjob. She positioned herself in the 69 position and gave me a slow suck. This felt delightful but I couldn't see the action.

"Isobella, would you mind sucking my cock while facing me so I can save the image for another time?"

This she did. Oh My God, what a view! I can still see it in my mind's eye as I write this field report. It was a sight to savour. Life really doesn't get much better. I'm sure it'll come as no surprise when I tell you I squirted whilst in that position. We didn't get round to having intercourse - she was so sexy we didn't need to! A fantastic punt to end the year.

P.S. The sex industry has been in the press quite a lot recently. I don't wish to add anything to the debate, but I would like to say thank you to all the girls who are professional, courteous, and keep

punters like me happy. And I'd like to say an extra special thank you to all the girls that provide a fulfat GFE that goes way beyond what we deserve. Thankyou all xxx.

On a personal note, I'd like to dedicate this Field Report to my friend Daniel who kindly donated me a kidney this year. I didn't get the opportunity to thank him as while he was recuperating in a different ward, he choked on a grape that I had sent to him. But every cloud has a silver lining and his spare kidney was quickly transplanted into me. Let's be honest, it would have been wasted on him. He was a no-good drunken bum whose only joy in life was stumbling from one smoke-filled pub to the next until his dole cheque ran out.

Happy New Year.
