### The Premises:

Nice area, secure building with door man. Had an elevator which was nice as her room was on the 6th floor.

### The Lady:

As her photos. Nice body but it looked as she was really tired. She had bags under her eyes so must have had a big night out even though she said she didn't.

### The Story:

This was an average punt. She has a great body but there just wasn't a connection. Her english was ok, we were able to communicate. She is from Moscow. Started off with a covered BJ (no OWO), no kissing on the lips, and no use of fingers. I'm a fan of the GFE and this just wasn't it. I would recommend her for her body but that is about it.
