The Story:

Opted for an hour in the jacuzzi room. Had a ball! Started with some mutual fondling and deep french kissing in the jacuzzi. Sarah then produced a waterproof dildo which she used to bring herself off and then spent sometime stimulating me. Then back to the massage bench for some tie and tease, knob slapping and great covered french, with a small dildo inserted up my arse. Sarah then released my legs so that I could give her some oral which resulted in her coming very loudly. This was followed by some fucking on the massage bench and then Sarah offered me anal while she inserted the dildo into her pussy - fantastic as she came and i was being stimulated by the dildo through her pussy wall. Next spent some time spanking her clit with my knob and she came again. Swapped round for some doggy and then finally came long and hard inside her wet, warm pussy. Sarah is fantastic fun with no inhibitions, an awesome kisser and a great shag. She also does a full on 2 girl with Laura on a Saturday - can't wait!!
