The Premises:

Wasn't her place - she was staying with a girlfriend and used her place instead. Small, very small, no real facilities and not the standard I was expecting

The Lady:

Tall, slim, blond - as on the website - but not a patch on her photos

The Story:

All in all a waste of money.

Slightly off put by her friend being there when I arrived. Had to undress myself, turned round and she was naked - no erotic strip. Straight on with the condom (even though I had asked if she did everything inc OWO and CIM and had been told she did) quick functional blow job, bit of her on top then bj to completion in condom.

Wouldn't bother guys
