The Premises:

very clean appartment, felt very safe.

The Lady:

good looking, tall, english blonde. mid 20s. well toned figure with fantastic non-enhanced breasts.

The Story:

we disgusted my fantasy in great detail.I had been a naughty boy caught playing with myself and been sent to the very strict mistress louise to be taught the errors of my ways. Standing before louise with my hands on my head she pulled my pants down and processed to give me a humiliating inspection while threatening to put me in front of essembly.After choosing a paddle she told me to bend over then gave me my punishment, she then tied me spread eagled on the bed and ordered me to please her whilst sitting on my face. Mistress louise seemed pleased with my efforts and rewarded me with an unexpected bonus of the best blow job i have ever experienced. All together a memorable experience and one i look forward to repeating in the near furture
