The Premises:

Themed hotel in the heart of Brighton. Not good if you want to be incognito, but they are discrete and undstanding. Rooms are excellently themed with a range for all tastes and moods

The Lady:

Her pictures could not have been better. They portray her personality and manner excellently.

The Story:

I am never seeing another girl after Anika. There is no one better for a combination of personality, wit, manner, professionalism, and sheer enjoyment. She is in a league so high, she must feel lonely.

Contacted her via email to discuss arrangements. Her site is fully detailed with FAQ's and security instructions. This is not a girl you meet for an unidentified punt. She is a maverick personality with an open mind, and appreciative nature; After 2 hours I find myself being taken to a new level of appreciation. Her fees are high, but this keeps her focused on mutual pleasure.

I can't wait to see you again Anika.
