The Premises:

She has a nice apartment in the city centre which was clean and comfortable. There was ample parking and the area was safe and secure.

The Lady:

I hate giving descriptions especially on ladies like this one as she is absolutely beautiful. she is about 5'7", has nice breasts and legs that go on for ever.

The Story:

This lady oozes sex appeal. From the moment I entered into the apartment to the moment I left she was just amazingly over whelming. She is extremely submissive if you want her to be however, I wanted a true girlfriend experience which is exactly what she provided.

Her body is soft with smooth skin and she smells divine. After cuming for the first time I was hard again within minutes. She was worth every minute I spent with her and I can't wait to go and get some more. This is the kind of woman I would go out with. Amazing
