The Lady:

Pics on Judy's website give a very fair impression. What they don't quite show, is what a stunning body Amie has. Plenty of women, twenty years younger than Amie's declared age, would envy the smoothness of her skin, her body tone and general fitness. Wow.

The Story:

The sex matched my perception of Amie's personality and body. She is great fun to be with and talk to. She's a good listener - I was banging on, at the end, about something or other, when her next appointment was due, and she showed no sign of impatience. She's very sexy and she will do everything possible to make sure you leave well satisfied. My journey to and fro was more than 5 hours. Well worth it. And grateful thanks to Judy's, for a fun and efficient service. If this is a sample of what Judy's provides, maybe I should explore further. On the other hand, Amie features at the head of Judy's site throughout... Does this mean that I've been with the best, and that there are no more peaks to be climbed? Surely not...??
