The Premises:

Karens is great, discreet entrance no hassle.

Cleanliness fine, nice showers and facilities.

Karen herself was my first punt years ago. Shame you see little of her now.

The Lady:

24 yrs old approx. quite attractive, great personality.

Lovely tits, nice arse.

The Story:

Very chatty, Abi is interested to get to know you while she performs an ok massage to get things started.

She then starts rimming and ball licking which certainly hots things up. Great OWO which she performs excellantly. Abi loves to receive reverse oral too. The only downside of the whole thing was that the oral was so good I didn't shag the cute arse off her too! Have to book an hour next time!

Finished it off by shooting my load in her mouth. She didn't budge until she had took in every last drop, not like some girls who react like they have been poisoned! She discreetly spat my delivery into a tissue, then we talked while I got dressed. nice quick snog as I left.

For ?40 this was a first class punt, definately recommended.
