The Premises:

Place was clean, tidy and well set up for parties.

It is in a main road, but felt safe and easy to find.

The Lady:

there were 4 ladies:

Honey - a lovely blond, who is just fantastic

Olivia - a little older than the pictures suggest but still good

Claire - sex on loegs but quite Amazonian

Kirsty - a gorgeous Scots sex bunny

The Story:

Well, I've been to these and many other parties over the last couple of years and I have to say Lady M's are the most relaxed and, for me, the most fun.

I started with Honey - she has put on a little weight, but it really becomes her and makes her, if anything even more sexy! Her Blow Job is out of this world and she turned me into a gibbering idiot fairly quickly.

Round 2 was with Kirsty. She is a really horny, dirty little minx and after a great bj, I came inside her. I was so spent I had to lay there for a while to recover.

After some food and a chat round 3 was with Olivia who, after a short spell in the love swing also had me shooting my load over her tits in one of the bedrooms.

I never got round to Claire as the party ended.

Will I be back? certainly will - while Honey and Kirsty are about it would be a crime not to!
