The Premises:

Have never punted in this area before ? good 15 minutes walk from tube station, right down on Chelsea Embankment. A truly amazing place, beautiful flat, exquisite furnishings, lots of room (helped by the fact that her flatmate was away for a couple of days) ? probably the best escort?s pad I have ever visited

The Lady:

As ever, the brilliant Susan at ATOC knows how to pick them ? the pictures and the description are 110% truthful ? she is a simply gorgeous Russian babe, beautiful figure and skin, total command of English and LOVES sex. The description GFE is rubbish ? I long to find a GF who will be naked and letting me lick her pussy within 5 minutes of meeting her ! This one is a courtesan ? she concentrates totally on pleasure ? your pleasure.

The Story:

So often you arrive at what seems like a nice flat only to be shovelled into a tiny bedroom with inadequate space. We met in the beautiful lounge, she got me a drink and we chatted. Within 5 minutes we were naked with her stretched on the vast sofa encouraging my tongue to give her more and go deeper. Nothing nicer than a girl who tells you how much pleasure you are giving her.

This could easily turn into a novella, but you guys will want to get onto the phone to Susan quickly and book Kristina, so I won?t keep you. We made love all over the flat, she gives the most amazing head (a very rare skill, truthfully), loves to be taken any way you can think of (a very energetic cowgirl is not to be missed, and she adores it), she is intelligent and sexy and VERY hardworking. In seven years of punting this was the first time I have ever extended a booking (usually I just cum back for more another time) but this was too sensational to stop. And I am STILL cuming back for a lot more, very soon ? wild horses wouldn?t stop me.
