The Premises:

Very close to tube station. Large flat, but tiny bedroom.

The Lady:

Very slim, athletic lady. Today was (seemed) very tired. So, her face not so cute, as on the photos.

The Story:

After so many good reviews, I decided to give her a chance.

When I got in, I noticed that she was (seemed) tired. It was obviously that she lacked of a "fresh" mood. But, I decided to stay, cause of the previous reviews & because I like slim ladies.

Unfortunately, may cause of lack of chemistry or she was tired, there was NO connection.

She started at once giving an OWO. Not an outstanding one, as I could hardly feel her lips around my! After a while we tried 69 and then her on top. During that she was turning her head full left/right, so I couldn't look her face. The most discouraging was that she didn't offer DFK which turns me on. I finished very quickly. She offered me tissues & asked for massage or 2nd round. I asked for a second try. Again, she offered me a mediocre OWO. I decided to stop her & ask her to kiss me, as for the time I arrived till then, NO any kind of kiss I was received. Very discouraging, as she gave me only a few light kisses & she went on OWO. After 15 minutes without "success", cause of all this "distant" reaction of her, I gave up. So, I managed to join only one round.

I know she is not a robot & it was maybe a bad day for her & for me. But ,as I am a charming, healthy, clean, young man, I was expecting better "action". So for me, full disappointment. Sorry.
