The Premises:

The establishment is excellent with easy access from the road. There is apparently a rear entrance for the less bold. Entered to be greeted by the receptionist who is extremely bubbly and makes you feel at ease.

She took me into a small comfortable sitting room where I was offered a lovely cappuccino and introduced to the ladies.

There were 3 ladies on with a blond, a brunet and a Thai lady. All were stunning and I chose the Thai lady, Nancy.

I was shown the 3 bedrooms on the ground floor and allowed to choose the one I wanted. All had Jacuzzi baths and large mirrors. What more does a man need!

The Lady:

Nancy is a lovely petite Thai lady who I would say is in her mid 20?s. The web site says 21 but she is too experienced to be that young.

She has a stunning body with large firm nipples and a neatly part shaven pussy.

Speaks good English and makes you feel relaxed.

The Story:

I chose the 45-minute session, as I wanted the chance to clean up after a long day at work. Nancy ran the Jacuzzi for me and once I was happily in, she joined me and I must admit she is an expert at using her body to get you clean. Lots of suds and body to body massage.

It was then onto the bed where she continued what she had started in the Jacuzzi. One of the best massages I have had. Once that was over it was down to business and all I can say is, I was not disappointed. I am not one to enter into details but this was a session to remember. As Arnie says, I will be back!
