The Premises:

A well secluded private house, nevertheless easily found with straightforward parking in a local pub car park. Inside is comfortable and warm.

The Lady:

In her late 30's with medium length dark hair and wonderful 'come to me' eyes. Good body with curves in the right places.

The Story:

I have seen Gina numerous times and she never fails to engage me. It is clear from her website and other reports that she has plenty of clients but she never leaves the impression that you are one of many.

This visit was no different, a wonderful long kiss on arrival before rapid ascent upstairs. More kissing and playing before the wonderful OWO that Gina performs left me feeling totally drained.

I would without doubt be back even more often if circumstances allowed.
